

# We Need Your Help!

Thanks to a very generous grant from the Virginia Beach Education Foundation, we are upgrading our school MakerSpace area and program this school year. We need your help to make this a success for all our students. We are asking parents to contribute some of the consumable resources that we will be using for our MakerSpace that is located in the school library. Bins will be located in the school foyer, during PTA Open House, in which you can drop off your donated supplies. All or most of these items can be found at the dollar store. 😊

## Consumable Supplies Needed for Alanton Elementary School MakerSpace

### Tape

Masking tape  
Duct tape (all colors and patterns)  
Scotch tape  
Painters tape (low adhesive)

### String and Yarn

All colors of yarn  
Cotton string  
Clear fishing line  
Ribbon (any kind, mainly thin ribbon less than 1 inch wide)

### Glue

Glue sticks  
Elmer's glue (small bottles)  
Craft glue

### Miscellaneous Items

Pipe cleaners  
Popsicle sticks (lots of these)  
Puff balls  
Cotton balls  
Craft sticks (plain & colored)  
Wiggly eyes  
Playing cards  
Post It Notes  
Foil  
Cling wrap

### Crayons and Markers

permanent markers (all colors, lots of black ink)  
Crayola washable markers (we need this brand because it is the type of ink that the Ozobots read)  
Crayons

### Ziplock Bags

1 gallon size  
1 quart size  
Snack size (zip lock closure)

### Cardboard

Toilet paper roll  
Paper towel roll
